

## Recycling Permits and Certificates

---

### Recycling Permits and Certificates

Stone Computers provides a range of in-house recycling services to enable the processing, recovery and re-use of materials under WEEE. Please find below the necessary permits and certificates.

Please find below the following resources:

- [Approved Authorised Treatment Facility \(AATF\)](#)
- [Environmental Permitting Regulations Permit](#)
- [Waste Carrier License](#)

#### Approved Authorised Treatment Facility (AATF)

Please see the Stone Computers AATF permit, with regards to Waste Electrical and Electronics Equipment (WEEE) Regulations, [attached](#).

#### Environmental Permitting Regulations Permit

Please see [attached](#) for the Stone Computers Environmental Permitting Regulations standard permit.

#### Waste Carrier License

The waste carrier license is [attached](#).
